Updates to the Municipal Pension Plan being Proposed

Plan partners of the Municipal Pension Plan are proposing changes to your pension. The proposed changes will affect active members of the plan. It is important to note that proposed changes will:

- Improve equity amongst members in the plan
- Improve the long-term sustainability of the pension plan
- Apply to service earned after January 1, 2022.

To learn more about the proposed changes and how they might affect you, please visit mppredesign.ca to learn more.
