SCHOOLS BARGAINING SURVEY

The current Collective Agreement for the Schools expires on June 30, 2025. We previously reached out to WVMEA schools members requesting input to help us develop proposals for the next Collective Agreement. Thank you to those members who have taken the time to complete the bargaining survey. We are happy with the feedback received to date with almost 100 members responding. However, it would be beneficial for everyone to receive feedback from the majority of our schools members. As such, we have extended the survey deadline to **Friday, March 14, 2025**. Schools members, please access the survey using the link below.
