RATIFICATION VOTING

June 12, 2026

Dear School Board Members

We will be bringing the ratification voting process to the schools next week with a 'Travelling Ballot Box' to encourage all members to vote at their workplace. Voting will take place from **Monday, June 15th** through **Thursday, June 18th, 2026**.

We have carefully scheduled days and times throughout the week. Please note that the **times may not be exact** as they will be subject to unforeseen circumstances in voting and/or travel time.

For those members who are unable to vote at their workplace, voting will be open at the WVMEA office on Monday, Wednesday and Friday from 12:30pm to 3:30pm. The office is located at 2419 Bellevue Ave, Suite 118, West Vancouver. Members are asked to enter through the exterior door, accessible from the outdoor walkway at the back of the building.
